

Financial Advisory

NIBanc offers integrated financial solutions and strategic advice tailored to its clients' needs in the following areas:

- Strategic reviews
- Feasibility studies and due diligence
- Financial modeling
- Debt advisory and optimization
- Capital formation
- Syndicated loans
- Project financing
- Structured financing
- Public private partnerships (PPPs) and the private finance initiative (PFI)
- Investment portfolio structuring and management

The Financial Advisory team maintains long-standing relationships with NIBanc's clients, and focuses on origination, structuring, and execution. The team has more than 75 years of combined financial advisory and transaction experience gained from working throughout the Caribbean, North America, Europe, Asia and the Middle East. The professional background of the team members includes banking, investment firms, internationally-recognized consulting and accounting firms, private wealth management, and private equity firms, as well as university faculty and government-related positions. Team members have been the advisors to national governments, as well as the World Bank, the Inter-American Development Bank, the European Bank for Reconstruction and Development, and the United States Agency for International Development.

NIBanc would be pleased to discuss how it can become your partner of choice.
